

WE ARE ENCOURAGING ALL
PARTICIPANTS TO CONSIDER LEADING
1-2 HOUR OF PRAYER/WORSHIP DURING
YOUR TIME SERVING AT PARIS JE T'AIME.

YOU PERSONALLY OR WITH YOUR TEAM CAN BOOK A SLOT AND LEAD A TIME OF PRAYER/WORSHIP.

One of the big parts of the Paris Je T'aime 2024 outreach is the 24/7 prayer & worship that will be happening at all hours during the whole 3 weeks. Prayer and worship are the FUEL for all that will happen. This is one of the elements we are highly prioritizing and asking participants to join. We will thank God for all He is doing in this time, and intercede for the outreach that will be happening in the city.

We want to believe and have GREAT FAITH that God will move in radical ways like NEVER BEFORE in the city of Paris. We are believing to see a wave of salvation that reaches beyond the city, into the nation of France and the nations beyond.

EACH HOUR OF PRAYER/WORSHIP SHOULD INCLUDE:

## **GUIDED PRAYER TIME**

You decide the topics beforehand to pray about during your session. You lead others in praying for these.

Prayer should be centered around the Olympics, France, and the nations.

## YOU MUST BE HERE IN PERSON!

EACH HOUR OF PRAYER/WORSHIP SHOULD INCLUDE:

## **WORSHIP**

Worship could be live music you play or a playlist on a speaker.

Worship should be high praise, God centered, nations centered, Jesus focused, external focus - not inward focused.

There may be others who come to participate during your hour, but you are the one leading the time. This is great to worship and pray together. So, invite others and be excited to lead others in prayer, give prompts & instruction according to how you feel to lead this time.

## PLEASE BRING YOUR OWN INSTRUMENTS IF POSSIBLE.

We may have the ability to provide a full plugged in session with the instruments you need. However, if our equipment is needed for other events in the city you will need to have your own & be prepared for an acoustic session. You will need to be flexible and adaptable based on what we are able to provide during your exact hour.

- You can sign up for more than one hour, two hours back to back are an ideal length.
- We prefer a minimum of 2 people leading each session. If you want to lead a session and are looking for another individual to lead with, email us and we will try to pair you with another person looking for a partner.

24/7 Prayer will happen at YWAM Paris connect. Address: 3 Rue de la Nouvelle France,

93300 Aubervilliers, France
